

Lost In Time

Lost In Time offers entertainment for families and individuals, as well as events for the private and business sector.

We offer escape games, unique puzzle boxes and other classic boardgames.

The venue

Our venue is a large, beautifully decorated space, with huge windows letting in sunlight and fresh air, and a view of green trees.

We have taken much care in designing a comfortable and unique space, with a mix of antique furniture and fittings, creating a relaxed and olde world atmosphere.

Our venue hosts an entertainment section, a Coffee Shop and a Lounge.

The entertainment spaces includes a Magic Mirror Maze, a Mystery Cabin (escape room) and The Abandoned Reactor (an escape room, available end of June 2023).

Coffee Shop & Lounge

The Coffee Shop is situated within a beautiful antique lounge.

We serve all day meals with new and interesting dishes.

The Lounge has both comfortable couches and seated areas for dining.

We offer unique puzzle boxes and escape games that can be played in groups or by individuals.

Both the Coffee shop and Lounge are adjacent to the entertainment areas and all share a common entrance, enhancing security.
